Individual Quiz Competition via Kahoot

This Competition is on an individual basis and everyone can login using a unique code which will be shared during the session. There will be multiple choice questions and they will be from the Book "*Basics of Religious Education.*" The topics of the individual Quiz Competition via Kahoot are as follows:

Topics:

Basic Principles of Islam
The Holy Prophet (sa)
The Promised Messiah (as)
General Knowledge

In a Friday Sermon (22nd September 2017) our beloved Imam Hadhrat Mirza Masroor Ahmad^(aa) said:

On one occasion, the Holy Prophet (sa) said "*When a group of people are sitting in the mosque for the recitation of the Holy Qur'an and for the purposes of education and learning, then Allah Almighty bestows tranquillity upon them and they are covered by His Mercy and angels take them under their wing.*" It is the sheer Grace of Allah Almighty that wherever the Jama'at is established in the world it has the opportunity to organise gatherings such as Jalsas and Ijtemas. The purpose of such events are for moral training as well as to increase knowledge and to remember Allah Almighty and pray to Him. Those attending these events, should engage in constructive conversations and should always abstain from vain discourses and not waste their time.
